

# LEAGUE1 AB TRIALIST/AFFILIATE FORM

This completed form must be signed by all parties and submitted to the League Coordinator at [stoporowsky@albertasoccer.com](mailto:stoporowsky@albertasoccer.com) prior to the player participating in the player's first League1 AB match of the season.

The player must be identified with a 'TL' or 'AP' on the game sheet of any League1 AB match the player plays in.

At the discretion of the youth club, specific League1 AB matches may be excluded where there are conflicts with the youth team commitments.

Proof of permission for the trialist player to participate must be obtained from the player's club or coach 48 hours prior to the kickoff of each League1 AB match the trialist/affiliate participates in.

This should be obtained via text or email, as proof of permission must be provided to Alberta Soccer upon request.

Once a properly completed form has been submitted for a trialist, the player will be eligible to participate, for that League1 AB team for 5 matches during the season. Any team, using the player, will be required to resubmit a new trialist form for the player.

A completed Affiliate Player form must be submitted prior to kick-off of the first game the Affiliate Player will participate in. Once completed that player will be able to participate in an unlimited amount of games in L1AB.
